2.2. The films must have had their first official screening (be it at a festival or at a regular cinema) after 1 July 2007.

2.3. The films must have a director who was born in Europe or has a European passport. The criteria whereby a film qualifies as European* are based upon the European Convention on Cinematographic Co-production, Appendix II, issued by the Council of Europe. According to the Convention, a film qualifies as European if it achieves 15 points out of a possible maximum of 19 from a schedule of European elements.

To give the most flexible definition, the European Film Academy uses a lower percentage of 12 points as follows:

<u>European elements</u>	<u>weighting points</u>
<i>Creative group</i>	
Director	3
Scriptwriter	3
Composer	1
<i>Performing group</i>	
First role	3
Second role	2
Third role	1
<i>Technical craft group</i>	
Cameraman	1
Sound recordist	1
Editor	1
Art director	1
Studio or shooting location	1
Post production location	1

The EFA Board has, however, the right to look at any exception in cases of lower points, provided the film has a European director.

- 2.4. Eligible candidates for the individual categories must be born in Europe or bearer of a European passport*.
- 2.5. Films that have been released theatrically prior to the European Film Awards 2008 ceremony as well as films presented at national or international festivals are eligible.
