## 23rd European Film Awards

It is with great pleasure that the European Film Academy and EFA Productions gGmbH announce the titles of the 46 films on this year's selection list, the list of films recommended for a nomination for the European Film Awards 2010! With 32 countries represented, the list once again illustrates the great diversity in European cinema.

In the coming weeks, the 2,300 members of the European Film Academy will vote for the nominations in the different award categories. The nominations will then be announced on 6 November at the Sevilla European Film Festival in Spain.

The 23rd European Film Awards with the presentation of the winners will take place in Tallinn/Estonia on 4 December.
